THE MILITARY ASSISTANT
TO THE GOVERNMENT OF MYSORE

BANGALORE, ~~HYDERABAD~~ 25th April 1906.

SIR,

In reply to your letter No.3524 dated 23rd April 1906 I have the honor to state that I consider it most desirable that the six helios referred to in the Signalling Inspection Report of the Mysore Imperial Service Lancers for the year 1905-06, should be converted as soon as possible. These helios were received in 1904 and are the old pattern, though in good condition. The new pattern however is simpler, not so liable to get out of order and the stand is lighter.

The Chief Commandant Mysore State Troops in his letter No. 2608 dated 17th April 1906 has only drawn attention to the remarks of the Inspecting Officer of Signalling regarding the alteration of the six helios, I would recommend and I feel cer-tain the Chief Commandant will agree with me, that the other remarks by the Inspector of Signalling should receive attention vide Report viz that-

a. Four Vernacular Translations of the Manual 1904 should be purchased. Price annas 8 a copy.

b The four messg: book cases whic: are too small should be exchanged or re, laced.

c The broken mirror should be re, laced.

d A new shutter should be provided for the R.H.lamp.

e. A new 4" shutter should be obtained.

I am writing to the Ordnance Department to ascertain the cost of these repairs and renewals, and will inform you as soon as I hear from them.

~~HYDERABAD~~

SIR,

In continuation of my letter No.153 dated 25th April 1906, the Ordnance Department informs me that the approximate cost for renewals and alterations in signalling equipment will be as under:-

	Each Rs
(a) Converting 3" Helios	20
(b) New message book cases (as required)	6
(c) Replacing broken mirror	8
(d) New B.B. shutter	2-4-0
(e) New 3" shutter	3-8-0

In my letter I recommended that ~~the~~ from Vernacular Translations of the Manual 1904 should be purchased at 8 Annas a copy. I would now recommend that 8 copies be purchased as 4 would not be sufficient.
